Term 2 Update Remote Learning Presentation - Students

General Information

In this ever changing situation, we plan to continue with Remote Learning (RL) in Term 2. Over the break the executive team reviewed feedback from staff, students and parents about the implementation of RL at Amity College.

Less content, more quality is our aim for this term to increase the engagement of our students. We will also introduce Zoom sessions across K-11.

Changes for Term 2

1. Timetables for both Primary and High School have been modified.
2. Zoom will be utilised from K-12.
3. Rotational roster will continue for the first two weeks of Term 2.
4. Staggered return to face-to-face teaching as of week 3.
5. Monitoring student engagement

Monitoring Student Engagement

STUDENT PARTICIPATION & ENGAGEMENT

- Teachers will need to mark attendance on COOLSIS for every Zoom Lesson.
- If a student has not been completing work assigned:
 - Teachers should first contact students and their parents to check in on them.
 - The method of contact may be:
 - a phone call and logged into the communication log on CoolSIS, or
 - via a CoolSIS message/email (this is the preferred method).
 - Teachers should set a new due date for the student and if the work set is still not completed without a valid reason, an appropriate COOLSIS incident can be issued.
 - Please refer to any further advice from your school administration.

Technical Issues

If you are facing any technical issues please contact IT via email or the school.
