

14 July 2021

Dear Parents and Carers,

As per the NSW Government announcement this morning, the lockdown and Remote Learning arrangements in place have been extended until Friday, 30 July.

Given the likelihood of this announcement, our staff have been preparing for an extended period of Remote Learning and based on feedback provided last year, we are confident that our current platform (Schoolbox) and practices are well set up for this extension.

Year 12 students can attend school for their practical classes, for periods of the week that have been communicated to them. While students are on school grounds they will need to adhere to safety guidelines including wearing a face mask.

A reminder to parents that as per our calendar, our school will be closed on Tuesday, 20 July and Wednesday, 21 July for the Eid break. Remote Learning activities will also be on hold during these two days.

We strongly urge our community to adhere to the current restrictions and guidelines throughout the Eid break.

We thank you for your understanding and cooperation during this time.

Yours sincerely,

Deniz Erdogan  
Executive Principal
