2	18/08/21	1:30am	Nathan Morse	0427 000 091	N/A	Kane Sabo	Noise generated by floating of plant to site	The neighbour received written notification on the Friday of the movements which were to take place on the Monday. The neighbour verballed and in writing via text threatened our site manager and threatened the driver on site. The police came and investigated and found that no issue was with Lloyd and asked whether or not we wanted to press charges. We declined and the neighbour was given a warning by the police. We will continue to provide notice where required in order to complete the works.
